Clint, are u aware of the sanitation issues in the village. It's disgraceful. What with the no trash pick up? This degree of filth can create other problems. What can be done? The business community of The Village have a responsibility to keep their property clean. I live and work the 4200 block Degnan/Norton picking up trash etc...

I noticed the street lights are on in the village. Sika said they been on for years(?). I called Street Lighting on 4/29/20 @ 1 323-913-4744 they said it is a problem job order # 1-1611605021timeframe of 20 days for correction.

I have a new email address [Beverlyrussell426@gmail.com](mailto:Beverlyrussell426@gmail.com) for your mailing list.

Peace Beverly
